The School is located on a prominent, attractive 5.4 hectare site near what will become the Googong town centre. Stage 1 of the school building program is complete and includes the ELC, Kindergarten to Year 3 classrooms, oval, playground, car park and outdoor learning areas.

The School provides all the lifestyle benefits of being a country school, combined with all the features of a modern city school, giving children the best of both worlds. The School has nearby access in Googong to: tennis courts; a swimming pool; natural bushland; recreational and historical areas.

### **Our Educational Community**

The Anglican School Googong will grow to become an ELC (Pre-School) to Year 12 caring Christian educational community of excellence where authentic learning is at the heart of the school – where students know how to learn and where personal effort and achievement is valued and celebrated.

This will be a school where the students will:

- Know and discover – to find and explore the wonder in the world around them
- Understand and dream – to dare to make a difference for themselves, their community and their planet
