Enrolment and Registration Policy

Enrolment Process

Enrolment at TASG is a four stage process.

1. The return of this Registration Form with the \$100 non-refundable registration fee.
2. An interview with the Principal in the year proceeding the enrolment year.
3. An offer of a place at the school.
4. Acceptance of the offer and payment of a \$500 non-refundable enrolment fee.

Policy Statement

The Anglican School Googong is a non-selective school. All registration of students is conducted in regard to this principle. Parents wishing to enrol their children at the school are expected to support the philosophy of the school and the ways in which this philosophy shapes the school's curriculum. Parents are expected to support the ethos and practices of an Anglican school, such as chapel services which use the Anglican liturgy, and religious and spiritual education.

Registration

Enrolment offers are based on the chronological date of registration and by gender. The Anglican School Googong seeks to offer an equal number of places to boys and girls and aims to maintain this gender balance throughout the school. The Anglican School Googong gives priority to siblings and currently children of staff.

Sibling Priority

Where possible, siblings will be given priority on the school waiting list.

Enrolment Age Requirements

Children wishing to enter Kindergarten need to have turned 5 by 31 July of the year of entry. Enrolment for Preschool is a separate process, requiring separate forms to be completed with the pre-school provider.

*We attach our non-refundable registration fee of **\$100 per student** (includes GST) which covers administrative costs and information provision while names are on the registration list. We acknowledge that acceptance of the registration fee does not guarantee enrolment.*

**All parents/guardians with legal responsibility for this child may sign this registration form.
Both parents with legal responsibility must sign the form.**
